

RISK LIMITING AUDIT
Wayland Township Hall
January 18, 2020
10:15 a.m.

A Statewide risk-limiting audit is taking place. The Bureau of Elections randomly selecting approximately 18,000 ballots statewide for the risk-limiting audit.

On January 11, information was given to Allegan County, and they shared the information on January 12, with Wayland Township as to how many ballots from the Absentee Voter Counting Board sealed container and Precinct -#1 sealed container need to be pulled.

The information provided to Wayland Township tells the Election Staff (including both a democrat and a republican) which ballot(s) from each container to pull.

This will begin at 10:15 a.m. and will continue until the information requested by the State of Michigan Bureau of Elections is obtained and the ballot containers are re-sealed.
