Public Hearing #1: An application from Mike West of Green Development Ventures, interested party, on behalf of Robert Arendsen, owner of the unaddressed property along the west side of Patterson Road in Section 25 of Wayland Township also known as parcel number 03-24-025-001-0 and comprising approximately 57.9 acres for rezoning from AG/R-2 to R2PUD and preliminary plan for a Residential Planned Unit Development "Atlas Preserve".

- No one was present to represent the applicant.
- 32 people were in attendance, many of whom were opposed to this development. 10 additional letters and a petition with 18 signatures, all in opposition, were also sent to the Township. Chairman Fryling explained - at our July meeting we had discussed that an amendment to the Master Plan would be required to reclassify the property and support the proposed project density. The PC voted to not modify the Master Plan therefore denying the rezone request.
- In addition, there was a question from the attendees about notification of neighbors within 300 feet when said neighbors lived in an adjoining Township/County. The Yankee Springs residents did not receive notification of this Public Hearing.

7. OLD BUSINESS:
 - a. A SUP from Jerry Acton and Jodi Haveman, 1149 126th Avenue, to install a temporary mobile home dwelling. Robin Acton explained the need for a temporary home for their parents. Rebecca Harvey presented her report and pointed out that the lack of vehicular access to the temporary dwelling raises safety concerns. An extension of the existing driveway should be considered. Discussion ensued. Matt Minor made the motion to approve the SUP for Jerry Acton and Jodi Haveman, 1149 126th Avenue, to install a temporary mobile home dwelling with the following conditions:
 - i. Compliance with all applicable HUD requirements and the Township Building Code
 - ii. Approval of the Allegan County Environmental Health Department of the water supply and sewage disposal facilities proposed to serve the temporary dwelling *[to be detailed in the site plan]*
 - iii. Provision of a safe and reasonable vehicular access route to the temporary dwelling *[to be detailed on the site plan]*

- iv. Annual review of the non-transferable Special Use Permit as required and in compliance with Section 3.03b

Ron DeVries supported the motion. All Aye, motion passed.
